

## COUNTY GETS FEDERAL PRIMARY ROAD

Barry County is Given Bituminous Bound Road at Cost of \$20,000 per Mile. Good Work By Committee.

The Barry county committee who appeared before the state highway commission at Jefferson City this week in behalf of the Capital Highway route through this section, did excellent work for our county. While we did not get a place on the concrete primary road, Barry county was given a federal primary road, branching from Monett to Seligman and to Okla., on the Capital Highway route. The commission had not designated the road from Monett to Seligman as one of the federal primary roads previous to their conference with the Capital Highway Association, which entertained the commission at a banquet at which they presented their data for Barry county. The justice of their claim was made plain to the commission, who later added the Seligman road to the route. At this meeting R. E. Callaway presented the argument for Southwest Missouri, a man from Lynn county, the north end of the state and A. C. McKibben the Jefferson City east and west road.

The commission designated the highway southwest of Springfield as a federal primary road. \$3,600,000 is to be spent on this road, which is to be bituminous bound and will be a better roadway than any street in Monett. It is to cost \$20,000 per mile, which is only \$10,000 per mile less than the concrete primary highway is to cost. It goes through Monett, South to Seligman, connecting with an Arkansas primary road, and southwest, connecting with an Oklahoma state primary road. Monett is thus the gateway to two states.

Barry county is one of five counties in the state receiving the largest amount of mileage of designated roads, in the tentative plan submitted by the commission. Barry county is gratified to be thus favored, as thirty-five or forty other counties as good as ours got nothing except the \$6,000 per mile state secondary road. This in face of the fact that Southwest Missouri had no representative on the state commission.

R. E. Callaway, president of the Commercial club, and representative of Barry county at the meeting of the state highway commission, called a meeting of Monett citizens at the city hall Thursday afternoon to report the findings of the commission. Mr. Callaway had a road map, by which he was able to explain the location of the primary roads and their tributaries with reasons for their location.

While our citizenship is well pleased with the consideration shown southwest Missouri in the tentative road plans, they still believe that a primary road should reach to Monett from Springfield, and will try to present their reasons effectively to the commission. They do not contemplate taking any legal action, nor filing injunction, however, as intimated by the Springfield and Joplin papers.

## MRS. JENNIE BRADLEY PASSES AWAY

The death angel visited the home of Mr. and Mrs. J. J. King, No. 300 Fifth street, at 12:30 o'clock Saturday morning and claimed Mrs. King's mother, Mrs. Jennie Bradley, who has been ill the past nine weeks with a complication of diseases caused by liver and kidney troubles as the result of a severe attack of grippe suffered several years ago.

Mrs. Bradley was born October 15, 1851 at Bellefonte, Pa. She became the bride of Charles V. Bradley on March 21, 1871 at Utica, Pa. They made their home at Oil City, Pa., for a number of years, and at that place their three children were born to them. In 1878 the family moved to Carbon-dale, Kansas, and in 1886 Mrs. Bradley was left a widow. She later broke up housekeeping and made her home with her mother at San Antonio, Tex., for five years. After that time she divided her time among her children. She has made her home with Mrs. King in Monett since October, 1921.

She was a member of the Baptist church, but her last request was that the Rev. W. A. Burrus, of the Christian church, officiate at her funeral service. She was a member of Tarrant Chapter No. 4, Order Eastern Star, of Port Worth, Texas and was a member of Bethlehem White Shrine of Jerusalem, of Monett. She was initiated in to the White Shrine at their last ceremonial.

The surviving relatives are the three children, Mrs. King, of Monett; H. E. Bradley, of Wichita Falls, Tex.; Mrs. Nellie J. Butlers, of Port Worth, Tex. Mrs. Butlers and Mr. Bradley were both here during their mothers illness. Mr. Bradley having returned home only a week ago. They will both return for the funeral. Besides the children, Mrs. Bradley leaves two brothers and one sister, James McCoy, of Boulder, Colo.; William McKay, of Utica, Pa., and Mrs. Kate Morrow, of Dayton, Pa., and also seven grandchildren and one great-grandchild.

Mrs. Bradley was the youngest of the children.

Funeral services will be held from the Christian church at 2:30 o'clock Monday afternoon under the auspices of Monett Chapter No. 190 Order Eastern Star. The Rev. Burrus will officiate at the funeral service. Interment will be made in the I. O. O. F. cemetery.

Mrs. Bradley was a sweet, lovable woman, and although she was practically an invalid she made many warm friends during the time she has lived in Monett. During her long illness, she was kind and patient and realized that her death was near. She made plans for the funeral, and her wishes will be carried out.

## HOSTESS TO MODERN PRISCILLA SEWING CLUB

The Modern Priscilla Afternoon Sewing Club, organized by members of the Sunshine Girls Sunday School class of the Methodist Episcopal church of which Mrs. W. A. ## CASVILLE MAN GETS GOOD PRICE FOR HEREFORDS

Ira A. Pollock of Cassville, Missouri added distinction to this community and to himself as a producer of market topping cattle when thirty-four fancy Hereford steers of his own feeding sold at Chicago July 10 for \$10.25. This is within a nickle of the highest price paid for any steers at that market since December last year.

The offering averaged 1491 pounds when sold, showing a gain of nearly 500 pounds from the time they were purchased last December. They cost \$5.90, giving a margin of \$4.35, which is a very liberal profit. Mr. Pollock bought the cattle in Mercer County, putting them in his feedlot the middle of December and fed them on a ration of ear corn, molasses feed and roughage. He has four more loads of the same kind.

The fact that the steers had made their early gains on pasture also is a credit to the good blue grass of Mercer County and the breeding methods of farmers there.

They are at present arranging for a regular church service to be sent out either this Sunday or the following Sunday. Their outfit has been thoroughly tested and has been plainly heard as far away as Kansas City. They are sending on Medium 360 meter wave length.

## 1,250,000 IDLE THROUGH STRIKES

New York, July 13.—About 1,250,000 persons are idle in the United States as a direct result of strikes, says a review by the National Industrial Conference Board issued last night. This represents a loss of approximately 10,000,000 man hours of work each day.

"With each day that this strike condition exists more and more persons," said the review, "engaged in secondary or allied industries, which are dependent on the major industries are thrown into involuntary unemployment, thereby imposing an additional burden on the community."

The board said that internationally the unsettled condition was reflected in "downward fluctuation in exchange rates of the Central European countries."

## JEWELL WILL NOT CALL OFF STRIKE

Declares Railroad Executives Hope to Destroy Workers' Union By Refusing to Mediate Trouble.

Chicago, July 13.—The railway shopmen's strike will not be called off and the men will not be ordered back to work "until justice has been secured," B. M. Jewell, head of the railway employees department of the American Federation of Labor said tonight in a statement replying to the rail executives ultimatum of yesterday.

The rail executives suggested that the strike be called off and the men return to work after which the differences might be taken up before the railroad labor board.

Mr. Jewell intimated that the reason the executives refused to meet shop crafts officers, in an effort to mediate the strike as has been suggested, was that the railways hope to destroy the employees' organization.

"If such is the case," the statement said, "the railroads are due to receive a sudden awakening. The American public should charge them with the responsibility."

At the labor board it was announced that an effort might be made along new lines to settle the strike, but no details were given. After the rail executives had refused to meet shopcrafts representatives yesterday, board members announced that the executives who refused to confer did not speak for the individual railroads and intimated that a new plan of settlement might be based on this fact. It had been suggested in railroad circles today that the railroads of the northwest were apparently anxious to settle and that new peace plans might be directed at this section.

The shop crafts representatives replied today to President Harding's proclamation, which declared that the strike must be settled through the authorized agencies, by placing the blame for the strike on the railroads and asserting that carriers had violated many decisions of the labor board.

Other events included orders from the war department to have troops ready to protect the M. K. & T. lines, in the hands of a receiver appointed by the United States court; announcement by Postmaster General Work that 50,000 motor vehicles can be used to transport the mails, if rail service fails, and the issuing of restraining orders to the St. Louis & San Francisco railway at Ft. Smith, Ark., and the Chicago & Eastern Illinois, and Toledo, St. Louis & Western railroads at East St. Louis.

Mrs. Walter L. Mayfield is visiting in Springfield.

Mr. and Mrs. Harry C. Fleming were visitors in Joplin, Saturday.

Prosecuting Attorney J. T. Burgess made a business trip to Cassville Saturday.

Mrs. D. E. Miller went to Springfield Friday morning to visit a few days with her daughter, Mrs. Leslie Grimes and Mr. Grimes.
